

**Gulf of Maine Council – December 4-5 Working Group  
Meeting Logistics and Call-in Information**

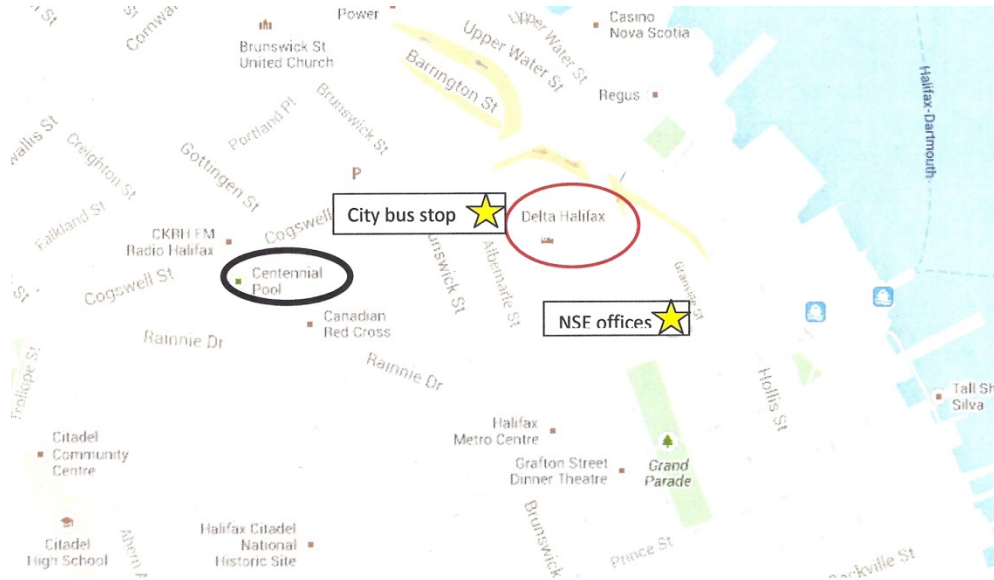

**Meeting Location / Site Information**

**December 4-5 Working Group Meeting**

**Offices of Nova Scotia Environment (Barrington Tower)**

1894 Barrington Street, Suite 1800, Halifax, NS

- This is the only office on the 18<sup>th</sup> floor. Someone will be there to greet folks on the day of the meetings.
- From the Delta Halifax Hotel, Barrington Tower can be reached from a ped-way and underground walkways. There is no need to go outside, just follow the signs for Barrington Tower. The elevators are through glass doors next to Starbucks.
- The city bus from the airport arrives at Albemarle Street (behind the hotel, accessed through a stairway). The shuttle bus and cabs from the airport will drop you off in front of the hotel.
- For those living/ arriving in town, parking is not ideal. There is \$16/day parking in scotia square. Metered parking on the street, or \$8/day at Centennial Pool (3 blocks away). The office is only two blocks up from the ferry, or the bus stop is meters from the front door.

**Local Transportation Options from Airport to Delta Halifax Hotel**

1. Halifax Metro transit (city bus) has a bus that runs on a fixed schedule to and from the airport. It drops people off on the street behind the Delta Halifax. The cost is **\$3.50** and it takes about one hour.  
Website for schedule: <http://www.halifax.ca/metrotransit/Schedules/documents/Route320.pdf>
2. There is a shuttle bus operating to and from the airport. It runs from the airport directly to Delta Halifax. It costs **\$34** (half that one way). About 30min ride.  
Website for schedule and pre-pay <http://www.maritimebus.com/en/>

3. Taxi service. There is no additional fee to share a cab. Taxis are **\$63** one way. Taxis leaving from the airport do not need to be booked ahead. There is a taxi stand outside the arrival doors at the airport. It might be best for working group members heading to the airport on Thursday afternoon to share a cab as it will be quicker than the bus.
