

Climate Change Bibliography for the Gulf of Maine

Produced for the
Gulf of Maine Council on the Marine Environment
by ACAP Saint John
March 2005

Updated by Environment Canada
August 2007

Bibliography of Climate Change References Pertaining to the Gulf of Maine

- Aber, J. D., S. V. Olliger, et al. (1995). "Predicting the effects of climate change on water yield and forest production in the northeastern United States." *Climate Research* **5**: 207-222.
